(b) if so, what are the details in this regard;

(c) whether Government propose to throw open the coal industry to foreign private capital on the lines of power sector;

(d) if so. what are the details in this. regard;

(c) whether import duty on coking coal is going to be reduced to 5 per cent and 35 per cent non coking coal;

(f) what is the present import duty rates on various categories of coal; and

(g) what are the details of import of coal by Government controlled bodies and private sector during the last three years, from different countries and at what rates?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI AJIT KUMAR PANJA): (a) and (b). Bureau of Industrial Costs and prices, who have taken up a study of coal industry, in their interim policy recommendations have recommended decontrol of prices of coking coal and some grades of non-coking coal. The argument in favour of the proposal is that the decontrol will help the coal companies to fix their price in line with the market conditions and also improve the performance of some of the loss making companies.

(c) and (d) No, Sir. Coal Mines (Natinalisation) Act, 1973 has been amended w.e.f. 09.06.1993 to allow private sector participation in coal mining only for captive purposes for generation of power, and for other end uses to be notified in addition to existing provision for iron and steel. These private sector parties could be Indian- or Foreign.

(e) and (f) Information about the likely reduction in import duties on coal is not available in the Ministry.

The existing rates of import duties are as under:

(i) For import of all coals: 85%

Reduced customs duty on following condition's.

(ii) Cooking Coal of ash content below 12% 5%
